access to Myanmar's numerous forcibly disappeared clients.⁴ At least 38 lawyers⁵ are themselves arbitrarily detained, including dismaying reports of severe torture.

We urge the Council to ensure adequate resources for the Investigative Mechanism to fulfil its mandate. We urge all Council members, observer States, UN bodies, ASEAN members, and corporations to:

- ensure protection of those fleeing violations in Myanmar; and
- promote a strong Security Council resolution for an arms embargo, sanctions, and referral to the International Criminal Court.

Thank you.
